### Farmington

## Wealth Management Firm Announces Recipient Of \$1,000 Scholarship

### Biz Buzz

*Submitted by Marissa Haynes, Wealth Management Group of NA, LLC, on 2011-06-08.*

Wealth Management Group of NA, LLC is proud to announce La-Shaun Watson as the recipient of the 5th annual Alan L. Beck Scholarship. The \$1,000 scholarship is awarded annually to a Bloomfield High School senior who demonstrates excellence in academics and athletics. Watson is an outstanding BHS tennis player and exceptional student. She will be attending Western Connecticut State University in the fall to study Nursing.

Brian Beck, president & chief financial officer of Wealth Management Group of NA, LLC, his wife Noa, and his mother, Roberta Beck, award the scholarship in memory of his late father.

Alan L. Beck was a Bloomfield resident and attorney for 35 years. He passed away in December of 2000. He was extremely active in Bloomfield youth sports such as Little League Baseball and Raider Midget Football. Beck often guest lectured at BHS and attended all athletic events.

"We received many applications for this award and La-Shaun exemplifies the characteristics of the Alan L. Beck scholarship criteria. My father would be proud to know that we are continuing his legacy by giving back to students in the community for superior academic achievement and involvement in school sports. La-Shaun is an exceptional student athlete and a deserving recipient of this award," says Brian Beck.

Watson is enrolled in the highest level courses BHS offers and moved to the United States from Jamaica when she was 10 years old to obtain a quality education. She has been volunteering at Saint Francis Hospital for the past two years and dreams of becoming a neonatal nurse.

Roberta Beck, Brian Beck, La-Shaun Watson.
